Kit number when ordering separately

Size 100

Suffix code for ordering with connectors

Kit number when ordering separately

Notes:

- (1) When ordering hardware separately, each military kit number is sufficient for one connector, however, two (2) kits must be ordered for commercial hardware.
- (2) Jackscrews and jackposts fit both plugs and receptacles.
- Size 100 commercial hardware not available (except for Float Mount), therefore use military hardware.
- Float Mount hardware is factory installed and available in commercial style only.
- Min-E-Con's commercial style Jackpost features an exclusive .087 counter bore.
